

PAULINA PANIAGUA MUÑOZ

PATRIMONIAL DIRECTOR

Paulina is an expert in the analysis of the tax effects in Mexico held abroad by natural persons and in the implementation of asset structures abroad in conjunction with fiduciaries abroad.

She has experience in supporting natural persons residing in Mexico for the due compliance of their tax obligations, as well as in the analysis of the tax effects in Mexico and abroad for them by virtue of the investment structures that they may maintain for the protection and security of your assets, among other aspects.

She began her professional career at the Firm Chévez, Ruiz, Zamarripa y Cía., S.C. where she remained for more than 10 years, later she continued her professional career in the independent field.

Paulina was born in Mexico City, she obtained her Bachelor's degree in Public Accounting and her Master's degree in Tax Law from the Universidad Panamericana. Her native language is Spanish and she is fluent in English.

FUNCTION

High-level Patrimonial Advice for individuals and legal entities.
